## IN LOVING MEMORY

Your donation is a wonderful way to celebrate a person's life and will enable us to continue our research work.

We seek ways to improve the outcomes and quality of life for women with gynaecological cancers.

Every gift contributes to the \$1,000 minimum it costs for a woman with gynaecological cancer to participate in an ANZGOG clinical trial.

We are very grateful for your special gift and thank you sincerely for your generosity.

We hope that knowing this gift can help someone, makes this even more special.
